Hemlocks (Tsuga)

Yews (Taxus)

Dogwoods (Cornus)

Flowering Crabs (Malus)

Flowering Cherries (Prunus)

Fruit Trees and Berry Plants

GENERAL INFORMATION and  
TERMS AND CONDITIONS OF SALE  
Please Read Carefully

PRICES quoted cancel previous quotations, are subject to prior sale and to change without notice. Prices are F.O.B. E.Patchogue, N.Y. Lots of 5 and 25 will be furnished at the 10 and 100 rates only where shown. Unusually heavy specimens will be priced proportionate with their individual values.

TERMS: Cash, excepting established accounts, to which we will gladly extend 30 days credit, or longer where specific arrangements are made at time of sale.

BALLING AND BURLAPPING (B&B): All evergreens and evergreen shrubs are dug with balls of earth and enclosed in burlap (B&B) at list prices. This applies likewise to any other plants marked "B&B". Since with the balance of the plants balling is advisable at certain times of the year only, a charge will be made for digging any plant B&B if not so listed. Platforms used in balling are to be returned to us or they will be charged for.

PACKING AND BOXING, where necessary for parcel post, express, or freight shipment, will be charged for at cost.

SHIPMENT: Please give explicit instructions. We ship by motor and rail freight, express and parcel post. Delivery by our own trucks expedites arrival and insures a minimum.

amount of handling. Delivery beyond local limits is charged for at cost.

PLANTING: We can furnish experienced planting foremen and plantsmen if you wish. The cost of this service is low, considering the satisfaction derived from knowing that your plants have been given the right start.

QUOTATIONS AND SKETCHES covering contemplated planting will be submitted without cost or obligation unless large detailed plans are required, in which event we suggest that you consult a professional Landscape Architect. Reliable names will be furnished on request.

VISITORS are welcome at all times. You are cordially invited to walk or drive over our several miles of good roads throughout the nurseries and inspect our fine collection of hardy plants.

SALESMEN are available at our office to furnish information relative to the selection, use, and care of plants. No salesmen are maintained at our branch nurseries. We neither employ agents nor authorize dealers to use our name. Our salesmen will present our business card when calling on you.

RESPONSIBILITY AND STANDING: We refer you to the Commercial Agencies or satisfied customers in your vicinity, a list of which we will gladly send you upon request.

SCHEDULE OF BALLING CHARGES (B&B)

Deciduous Trees, Deciduous  
Shrubs and Fruits

Caliper means diameter of trunk  
6" above ground. In determining  
charges on trees, use caliper  
wherever given.

Height		Caliper	
18-24"	.30	1-1 $\frac{1}{4}$ "	1.50

RHODODENDRON HYBRIDS

Album Elegans - Shell pink to pale lilac buds opening into blush white.

America - Red with very pronounced blotches

Amphion - Large open flower, clear pink with white center.

Boule de Neige - Shell pink buds and pure white flowers.

RHODODENDRON Hybrids (cont.)

Caractacus - Rich crimson with  
very faint purple tinge  
throughout

Catawbiense alba - Pink buds  
opening into white flowers  
with slight pink tint

Catawbiense grandiflorum - Light  
rosy purple.

Charles Bagley - Cherry red

Charles Dickens - Rich deep  
scarlet

Doctor Dresselhuys - Rich deep  
scarlet

Edward S. Rand - Bright crimson

Everestianum - Delicate rosy  
lilac spotted with yellow.  
Crimped or fringed petals

F. D. Godman - Dark red

H. W. Sargent - Light red

Ignatius Sargent - Bright rose  
scarlet

Kettledrum - Crimson

Lady Armstrong - Rose with  
lighter center

Lee's Dark Purple - Dark purple

Mrs. P. van den Ouden - Bright  
crimson

Mrs. C. S. Sargent - Clear deep  
pink

Old Port - Purple

Parsons Gloriosum - Lilac rose

President Lincoln - Light rose  
pink

Purpureum Elegans - Lavender  
purple

Roseum Elegans - Pink, shaded  
lilac, changing to clear  
pink when open

Roseum Superbum - Clear pink,  
somewhat lighter than  
Roseum Elegans

Organic Plant Food

BOVUNG - Dehydrated cow manure from the famous Walker-Gordon dairy farms. Use liberally at time of planting without fear of burning. No odor. No weed seeds. Clean and easy to use.  
50 lb. bag (2 bushels) - \$2.35

Inorganic Plant Food

AGRICO FOR LAWNS, TREES AND SHRUBS (6-10-4) A complete commercial fertilizer for all established plants not preferring an acid soil. For surface or deep-root feeding.

100 lbs. - \$4.00	25 lbs. - \$1.50
50 lbs. - 2.50	10 lbs. - .80

Inorganic Plant Foods (cont.)

AGRICO FOR BROADLEAF EVERGREENS  
(6-10-4) A complete commercial  
fertilizer for all established  
plants that prefer an acid soil.  
For surface or deep-root feeding.  
100 lbs. - \$5.00      25 lbs.- \$2.00  
50 lbs. - 3.25      10 lbs.- 1.00

Peat Moss

PREMIER is the finest quality  
horticultural peat moss. It acts  
as both a soil conditioner and  
mulch. Mix it with topsoil and  
fertilizer when planting, and use  
as a mulch on top of the ground  
after planting. Builds humus in  
the soil, helps hold moisture,  
and controls weeds. Special Bale  
(6 bushels) \$3.00
